Overview

A true engineering marvel, this highly sophisticated thin, light and fast Toshiba laptop has been completely designed with the mobile executive in mind.

Engineered with incredible attention to detail to keep executives productive on the move; the Z930 has the capabilities and power that belies its slim, light weight design. Powered by the latest Intel® processors together with integrated graphics, a range of ultra-fast SSD and connectivity options and memory up to 8GB DDR3, the Z930 is the high performance laptop for high performers.

Fully optimised for effortless fleet deployment, including common BIOS, Firmware and Imagery; the Z930's durable magnesium alloy casing has been put through aeronautical grade Toshiba HALT testing. And with a suite of no compromise EasyGuard® security, connectivity and manageability features – you can be assured of maximum return on investment.

Toshiba recommends Windows® 7.
